

Noble Energy Activity Notice

Beginning no sooner than March 24, 2015, Noble Energy will be performing regular maintenance on the existing Leyner 1-15 oil and gas well located south of Jasper Road and east of Highway 287 within the Town of Erie. The well site is located on Boulder County Parks and Open Space property. (See Map Below)

As part of the regular maintenance, Noble Energy will be replacing the wellhead. Wellhead replacement operations on average take 1-2 days. The operations being performed are standard, but necessary to promote the safe operation of the well.

This is not a drilling or hydraulic fracturing operation.

Operations will commence no sooner than March 24, 2015. Noble has scheduled these operations to take place only during daytime hours, and will make every effort to be finished on or about Thursday, March 26, 2015.

We apologize for any inconvenience caused by our presence and thank you for your understanding and patience. Please do not hesitate to call Noble Energy with any questions at 1-844-224-0347.
